2. The school has put much emphasis on the implementation of biliteracy and trilingualism, especially our students' English standard. The medium of instruction for the junior forms is shown in the table above. Putonghua is taught as a separate subject (2 lessons per week) and is also adopted as the medium of instruction in Chinese Language subject in some classes. In order to strengthen the English Language Arts education and better prepare our students for the NSS, English teachers have joined STELLAR, a three-year pilot project launched by the Education Bureau.
